## **SWB Crew Completes Emergency Repair in Record Time-18 Minutes!**

The Sewerage and Water Board's after hours crew responded to an emergency call this evening that threatened the water service of the Ritz Carlton and Courtyard Marriot Hotels along with several other businesses in the French Quarter.

The call came out as a result of an electrical contractor, who while working on a building located on Iberville Street in the Quarter, struck an 8" main.

The crew arrived on the scene, valved off the line, excavated the area by hand, began the repair at 5:52pm and completed the repair at 6:10pm.

In short, the crew performed the repair in 18 minutes flat.
