Jefferson Avenue Drainage Canal
Project to Begin Next Week

Jefferson Avenue drainage canal project will begin on Monday, December 2, 2013. B&K Construction Company is the contractor. A schedule of how the work will progress is listed below.

Monday, December 2, 2013 - Begin tree protection and tree trimming operations. Initially work will be between S. Claiborne Avenue and Clara Street then proceed from Clara to Dryades Street. Tree trimming is scheduled to take approximately two weeks.

Wednesday, December 4, 2013 – Begin removal of median and curbs between S. Claiborne Avenue and Magnolia Street. After removal of the median, the contractor will install bedding material and place temporary asphalt in the median. Asphalt placement is scheduled for the week of December 15.

B&K Construction will shut down on December 20th and will resume construction in January 2014.
