Low Water Pressure – Carondelet Street (Louisiana Avenue to Constantinople)

Residents and businesses on Carondelet Street between Louisiana Avenue and Constantinople Street will experience low water pressure on Friday, December 11, 2015 from 8 a.m. to 3 p.m.

Boh Brothers Construction Company, working for the Corps of Engineers and the Sewerage and Water Board, will tie in a water line in the area.

This work is related to the SELA Louisiana Avenue Drainage Canal Project.

We appreciate your patience while we work to improve the City's infrastructure.
