## **Low Water Pressure – Governor Nicholls (Decatur Street to Chartres Street)**

Residents and businesses on Governor Nicholls Street from Decatur Street to Chartres Street will experience low water pressure on Friday, November 6, 2015 from 8 a.m. to 12 noon.

Boh Brothers Construction Company, working for the Sewerage & Water Board, will tie in a water main in the area.

This work is part of the \$188 million Sewerage & Water Board/FEMA Funded Waterline Replacement Program.

We appreciate your patience while we work to improve the city's infrastructure.
