## **LOW WATER PRESSURE – Uptown Area**

Residents and businesses in a small section of the uptown area will experience low water pressure on Thursday, September 17, 2015 from 8 a.m. to 4 p.m. while B&K Construction Company ties-in a water main in the area.

The streets affected are listed below:

<b>ON</b>	<b>FROM</b>	<b>TO</b>
Jefferson Avenue	S. Claiborne Avenue	Loyola Avenue
Willow Street	Jefferson Avenue	State Street
Magnolia Street	Jefferson Avenue	Octavia Street
S. Robertson Street	Jefferson Avenue	Octavia Street

This work is related to the SELA/Orleans Jefferson Avenue Drainage Canal Project.
