We're Improving Your Water System- 1100 Florida Avenue

Beverly Construction Company, working for the Sewerage and Water Board, will be performing a tie-in of a 6" fire service to a 12" water main.

Residents and businesses in the 1100 block of Florida Avenue between Tunica Street and Wilshire Street will experience low water pressure on Sunday, March 20, 2016 from 8 a.m. until 12 p.m., noon.

The affected streets will be:

| ON | FROM | TO |
|----------------|---------------|-----------------|
| Florida Avenue | Tunica Street | Wilshire Street |

We appreciate your patience as we work to improve the City's infrastructure.
