We’re Improving Your Water System- Algiers Area

Residents and businesses on different streets in the Algiers area will experience low water pressure beginning at 8:00 a.m. until 5:00 p.m. Sunday, January 31, 2016.

Sewerage and Water Board crews will repair several fire hydrants in the area.

The affected streets will be:

ON	FROM	TO
Potomac Street	Utah Street	Oregon Street
Hendee Street	Wall Boulevard	Wall Boulevard - Dead End
Behrman Highway	Indiana Street	Florence Drive
Olympic Court	Kings Canyon Drive	Yellowstone Drive

We appreciate your patience as we work to improve the City’s infrastructure.
