We’re Improving Your Water System- Cadiz Street

Residents and businesses on Cadiz Street between Loyola Avenue and S. Robertson Street will experience low water pressure from 10 a.m. until 5:30 p.m. on Tuesday, February 23, 2016. White Star Company, working for the Sewerage and Water Board, will be performing a tap into a 4” water line.

The affected streets will be:

We appreciate your patience as we work to improve the City’s infrastructure.
