We're Improving Your Water System- Canal Street

Vinson Enterprises, working for RTA, will be performing a tie-in of a water line that serves the area. This work is part of the RTA N. Rampart Streetcar Project.

Residents and businesses on Canal Street between S. Rampart Street and N. Rampart Street will experience low water pressure Monday night, July 11, 2016 through Wednesday night, July 13, 2016 at 10 p.m. until 6 a.m. each day

The affected street will be:

ON	FROM	TO
Canal Street	S. Rampart Street	N. Rampart Street

We appreciate your patience as we work to improve the City's infrastructure.

** Please note that all scheduled work may change due to unforeseen circumstances such as weather delays. A link to our website that includes our latest press releases is attached for your convenience.
