Low Water Pressure on Carondelet Street and Common Street

Residents and businesses on Carondelet Street from Gravier Street to Canal Street and on Common Street from St. Charles Avenue to Carondelet Street will experience low water pressure overnight on Wednesday, July 1, 2015 at 10 p.m. until Thursday morning, July, 2, 2015 at 6 a.m.

Boh Brothers Construction Company will be performing a tie-in on a new water main that serves the area.

The areas affected are:

| | | |
|-------------------|--------------------|-------------------|
| ON | From | TO |
| Carondelet Street | Gravier Street | Canal Street |
| Common Street | St. Charles Avenue | Carondelet Street |

This work is part of the \$188 million Sewerage & Water Board/FEMA Funded Waterline Replacement Program.
