We’re Improving Your Water System- Chartres Street and Canal Street

Boh Brothers Construction Company, working for the Sewerage and Water Board, will be performing a tie-in of a 12” water main that serves the area.

Residents and businesses on Chartres Street between Canal Street and Conti Street and on Canal Street between Chartres Street and Decatur Street will experience low water pressure on Thursday night, March 24, 2016 from 11:30 p.m. until 8 a.m. on Friday morning, March 25, 2016.

The affected streets will be:

ON	FROM	TO
Chartres Street	Canal Street	Conti Street
Canal Street	Chartres Street	Decatur Street

We appreciate your patience as we work to improve the City’s infrastructure.
