## **We're Improving Your Water System- CBD, FQ, Warehouse District and Ninth Ward**

Sewerage and Water Board crews are working to repair a break on a water main that is causing low water pressure in different areas of the City. Pressure will be restored at the completion of the repair.

Residents and businesses should call 52-Water (529-2837) to report low water pressure.

### **The affected areas are:**

**CBD**

**Warehouse District**

**French Quarter**

**Ninth Ward**

We appreciate your patience as we work to improve the City's infrastructure.

**\*\* Please note that all scheduled work may change due to unforeseen circumstances such as weather delays. A link to our website that includes our latest press releases is attached for your convenience.**
