## **We’re Improving Your Water System- Louisiana Avenue**

Residents and businesses on the Northbound and Southbound sides of Louisiana Avenue between Baronne Street and St. Charles Avenue will experience low water pressure on Wednesday, February 10, 2016 from 9 a.m. until 4 p.m.

Boh Brothers Construction Company, working for the U.S. Army Corps of Engineers and the Sewerage and Water Board, will be performing a tie-in of a 4” water line that serves the area. This work is part of the \$82.6 million Louisiana Avenue Canal- SELA Project.

### **The affected streets will be:**

<b>ON</b>	<b>FROM</b>	<b>TO</b>
(Northbound side) Louisiana Avenue	Baronne Street	St. Charles Avenue
(Southbound side) Louisiana Avenue	Baronne Street	St. Charles Avenue

We appreciate your patience as we work to improve the City’s infrastructure.
