Low Water Pressure – N. Rampart Street Between St. Philip Street and St. Peter Street

Residents and businesses on N. Rampart Street between St. Philip Street and St. Peter Street will experience low water pressure overnight beginning at 9 p.m., Thursday, January 7, 2016 through Friday morning, January 8, 2016 at 5 a.m.

This low pressure event is related to the RTA N. Rampart Streetcar Project. Vinson Enterprises is the contractor for the RTA.

The affected streets will be:

ON	FROM	TO
N. Rampart Street	St. Philip Street	St. Peter Street

We appreciate your patience as we work to improve the City's infrastructure.
