We're improving your water system- Napoleon Avenue

Residents and businesses on Napoleon Avenue between Dryades Street and Carondelet Street will experience low water pressure on Saturday, January 16, 2016 from 9 a.m. until 4 p.m.

Boh Brothers Construction Company, working for the Corps of Engineers and the Sewerage and Water Board, will be performing a tie-in of a water line that serves the area. This work is part of the \$55.1 million Napoleon Avenue Canal Phase III, SELA Urban Flood Improvement Program.

The affected streets will be:

ON	FROM	TO
Napoleon Avenue	Dryades Street	Carondelet Street

We appreciate your patience as we work to improve the City's infrastructure.
