Low Water Pressure- 4000 – 4300 Blocks of Prytania Street

Residents and businesses in the 4000 – 4300 blocks of Prytania Street between Constantinople Street and Napoleon Avenue will experience low water pressure on Monday, June 29, 2015 from 9 a.m. to 4 p.m.

Durr Construction Company will perform a tie in of a new water main that serves the area. This is a part of the \$188 million FEMA funded waterline replacement project.
