Low Water Pressure/Traffic Advisory – Uptown, French Quarter and Warehouse District

Residents, businesses and motorists are advised that customers in the Uptown Area, French Quarter, and Warehouse District, will experience low water pressure on Wednesday night October 7, 2015 from 9 p.m. to 5 a.m. on Thursday morning, October 8, 2015 while Sewerage and Water Board crews repair a 42" water main valve.

Motorists are advised that a left turn onto Earhart Boulevard from S. Claiborne Avenue will not be allowed while work is in progress. All traffic will have to turn right onto Earhart Boulevard.
