## **Low Water Pressure on S. Claiborne Avenue between General Ogden Street and Joliet Street**

Residents and businesses on S. Claiborne Avenue between General Ogden Street and Joliet Street, on the lakeside, will experience low water pressure on Friday, July 31, 2015 from 10 a.m. to 4 p.m.

Cajun Contractors, working for the Sewerage and Water Board of New Orleans and the U.S. Army Corps of Engineers, will be performing a tie-in of a new water line that serves the area. This work is part of the Claiborne Avenue SELA Drainage Project Phase I.
