We're Improving Your Water System- St. Louis Street

Residents and businesses on St. Louis Street between Basin Street and Burgundy Street will experience low water pressure on Wednesday, February 10, 2016 from 10 p.m. until 5 a.m. on Thursday, February 11, 2016.

Vinson Enterprise, the contractor for the RTA, will be performing a tie-in of a new water line that will serve the area. This work is related to the RTA Streetcar Project.

The affected street will be:

ON	FROM	TO
St. Louis Street	Basin Street	Burgundy Street

We appreciate your patience as we work to improve the City's infrastructure.
