We’re Improving Your Water System- Uptown Area

Residents and businesses in a small section of the Uptown Area will experience low water pressure on Thursday, February 18, 2016 from 6 p.m. until 12 a.m., midnight.

Boh Brothers Construction Company, working for the U.S. Army Corps of Engineers and the Sewerage and Water Board, will be performing a tie-in of a water line that serves the area. This work is part of the \$82.6 million Louisiana Avenue Canal- SELA Project.

The affected streets will be:

ON	FROM	TO
Chestnut Street	Louisiana Avenue	Amelia Street
Aline Street	Coliseum Street	Camp Street

We appreciate your patience as we work to improve the City’s infrastructure.
