We’re Improving Your Water System- Vienna Street and Corinne Street

Hard Rock Construction Company, working for the Sewerage and Water Board, will be performing a tie-in of a water main that will service the area.

Residents and businesses on Vienna Street between Papania Street and Corinne Street and on Corinne Street between Vienna Street and Pressburg Street will experience low water pressure on Wednesday, March 23, 2016 from 8 a.m. until 5 p.m.

The affected streets will be:

ON	FROM	TO
Vienna Street	Papania Street	Corinne Street
Corinne Street	Vienna Street	Pressburg Street

We appreciate your patience as we work to improve the City’s infrastructure.
