## **S&WB Wins "Best Tasting Water" and the Operation Challenge at the Louisiana Water Environment Association (LWEA)**

Sewerage & Water Board is starting the week with two big wins! In a state-wide competition over the weekend, Sewerage and Water Board's water won "Best Tasting" at the 79<sup>th</sup> annual Louisiana Water Environment Association Conference in Shreveport.

S&WB's Water Dogz team also won the LWEA Operation Challenge. That challenge tests job-knowledge, equipment-competency, process-control, time and speed, all of which are daily requirements in the work field.

The Water Dogz team is a combination of employees from the Algiers Water Plant and Central Maintenance Yard at Peoples Avenue. The team represents Sewerage and Water Board in state, regional and national level competitions showcasing excellence in providing service to customers.

The Water Dogz head to Texas for their next competition. Water taste test heads to Arkansas in the fall.
