Sewerage and Water Board Celebrates  
National Public Works Week May 17-23, 2015

New Orleans, LA-The Sewerage and Water Board of New Orleans, the American Public Works Association and its member organizations across the United States observe "National Public Works Week", May 17-23, 2015.

During this week, Cedric Grant, Executive Director of the Sewerage and Water Board said "our goal is to remind our customers of our commitment and dedication to our mission." "...To provide safe drinking water to everyone in New Orleans; to remove waste water for safe return to the environment; to drain away storm water; to provide water for fire protection; to provide information about products and services and to do all of this continuously at a reasonable cost to the community."

On Friday, May 22, 2015, 9 a.m. to noon the Sewerage & Water Board will host a Public Works Week equipment demonstration, informational career day, and environmental presentation at 1321 Orleans Avenue in the parking lot of Station A (next to the Municipal Auditorium). The general public, schools, scouts, and community groups are invited to attend.

Inquiries can call Sewerage and Water Board, Community and Intergovernmental Relations Department at 585-2169.

See activities blow.
