## **S&WB's Main Office Lobby Air Conditioning System is Under Repair this Week**

Sewerage and Water Board's main administration office building at 625 St. Joseph Street is upgrading the air conditioning system in the main lobby.

SWB recommends customers needing to speak to customer service representatives visit the Algiers office instead.

The Algiers Customer Center is located at 4021 Behrman Place, Suite M-2. The center is only a 10 minute drive from downtown and offers free parking.

The main office on St Joseph Street will still be open during regular business hours of 8 a.m. to 5 p.m. for customers who are unable to go to Algiers.
