Traffic Advisory – Florida Avenue between Mazant Street and Almonaster Avenue To Close For Major Construction

Residents, businesses and motorists are advised that Florida Avenue between Almonaster Avenue and Mazant Street will be closed to vehicular traffic beginning Tuesday, January 27, 2015 and remain closed through October 2018.

Louisa Street and Piety Street will remain open at this time with alternating closures as construction progresses. Florida Avenue traffic will be diverted to North Galvez Street during construction.

Boh Brothers Construction Company working for the Sewerage and Water Board and the U.S. Army Corps of Engineers will begin Phases Two and Three of the SELA Florida Avenue Drainage Canal Project. The work will involve construction of a new drainage box culvert, relocating major electrical feeders, as well as, a 48" water line relocation, Florida Canal widening, and the construction of the Louisa Street box culvert crossing.

The construction cost for both phases of this project is \$118.9 million.
