Traffic Advisory – Louisiana Avenue

Residents, businesses and motorists are advised that the inside travel lanes of Louisiana Avenue northbound and southbound between Prytania Street and Carondelet Street will be closed to vehicular traffic from December 18, 2014 through February 6, 2015 (before Mardi Gras parades).

One lane of traffic and the parking lane will remain open in each direction.

Boh Brothers Construction Company will install new water mains to serve the area. This project is part of the Louisiana Avenue SELA program.
