Traffic Advisory – Freret Street at Jefferson Avenue

Residents, businesses and motorists are advised that Freret Street at the intersection of Jefferson Avenue will be closed to vehicular traffic. Westbound (uptown bound) traffic will be detoured at Valmont Street while eastbound (downtown) traffic will have access to Jefferson Avenue northbound and southbound.

The roadway will be closed for the installation of a 24-inch sewer main and an 8-inch water main to serve the area. This closure will be in place for 30 days.

This work is part of \$55.9 million SELA Jefferson Avenue Drainage Canal project, Phase I. B&K Contractors is working for the Corps of Engineers and the Sewerage & Water Board of New Orleans.
