Traffic Advisory – Magazine Street at Jefferson Avenue

Residents, businesses and motorists are advised that beginning on Monday, July 6, 2015 a traffic lane shift will be implemented for Magazine Street at Jefferson Avenue. A phased traffic signal will alternate Magazine Street uptown bound and downtown bound traffic through the intersection.

Portions of the Magazine Street parking lanes on both sides of Jefferson Avenue will be utilized for travel lanes during the traffic shift.

Cajun Construction, working for the Sewerage and Water Board of New Orleans and the U. S. Army Corps of Engineers will install jet grout columns for the Jefferson Avenue Canal Phase I-SELA Project.
