## **Traffic Advisory – Near Canal Street and S. Cortez Street Intersection**

Sewerage and Water Board crews will be assessing the conditions of a valve on a 20" water main at the intersection of Canal Street and S. Cortez Street.

Residents, businesses and motorists are advised that they will experience traffic delays near the intersection of Canal Street and S. Cortez Street on Friday morning, March 18, 2016 from 8:30 a.m. to 12 p.m. (noon).

Motorists are advised to travel in the rightmost lane while traveling up Canal St. from S. Broad St. to avoid interference with work crews.

We appreciate your patience as we work to improve the City's water infrastructure.
