We're Improving Your Drainage System – Traffic Advisory – Florida Avenue Area

New Orleans – Renda-JBros a Joint Venture Construction Company, working for Sewerage and Water Board and the Corps of Engineers, **will continue to perform drainage system work through Tuesday, July 31, 2018.**

Residents, businesses and motorists are advised that Florida Avenue between Franklin Avenue and Almonaster Avenue will continue to be closed to traffic for the construction of a new drainage system box culvert. This work is part of the SELA Florida Avenue Drainage Canal Project.

No parking of personal vehicles within the construction zone will be allowed. Trash bins should be placed in front of residents as normal.

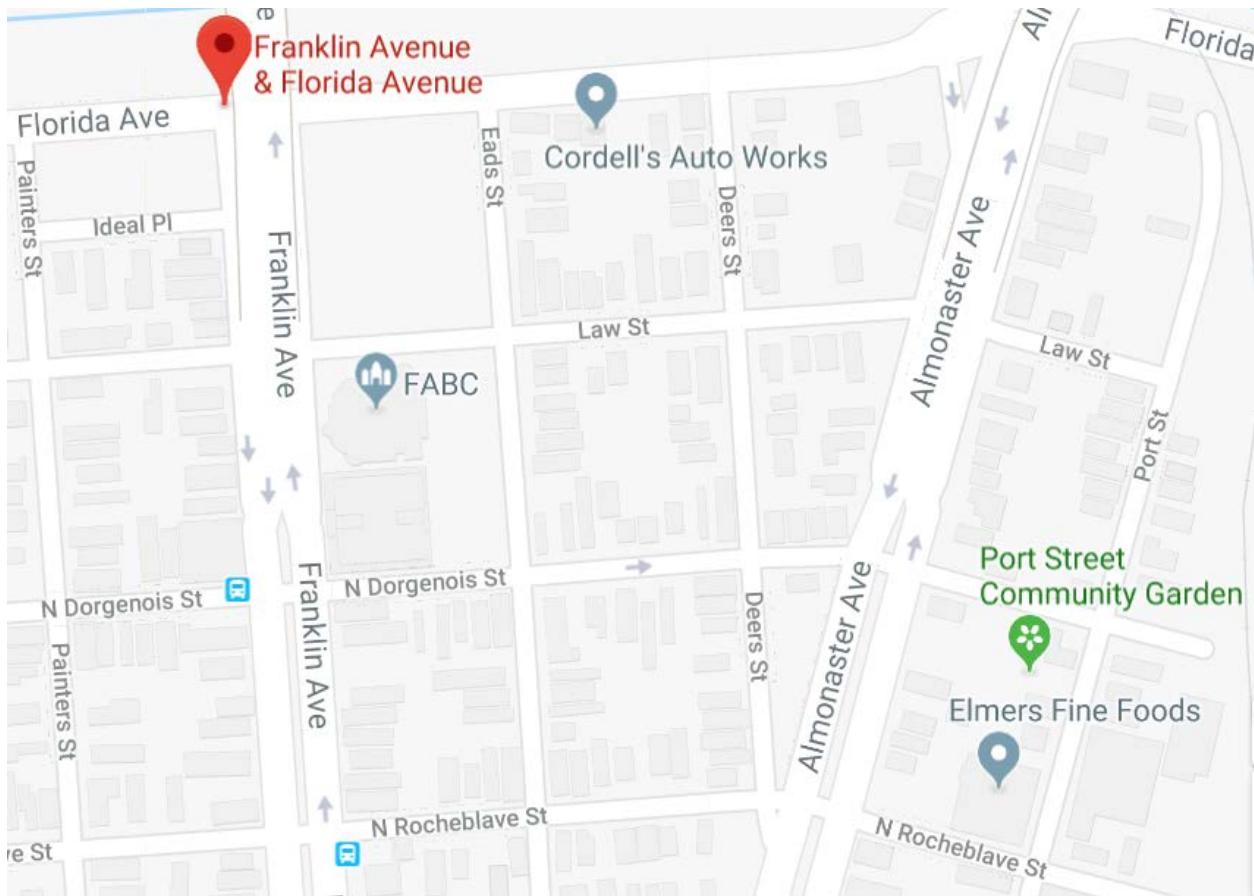

Streets affected are:

ON	FROM	TO
Florida Avenue	Franklin Avenue	Almonaster Avenue

We appreciate your patience as we work to improve the City's infrastructure.

****Please note that all scheduled work may change due to unforeseen circumstances such as weather delays. A link to our website that includes our latest press releases is attached for your convenience.**
