We're Improving Your Drainage System - Florida Avenue

Sewerage and Water Board is improving your drainage system. Renda/ J. Brothers Construction Company, working for the Sewerage and Water Board and the Army Corp of Engineers, **will construct a drainage box culvert near a water line.** This work is part of the \$119 million dollar SELA Florida Avenue Drainage Project.

Residents, businesses on Florida Avenue from Franklin to Almonaster Avenue will experience low water pressure on **Thursday, November 10, 2016 from 8 a.m. to 4 p.m.**

The streets affected are listed below:

ON	FROM	TO
Florida Avenue	Franklin Avenue	Almonaster Avenue

We appreciate your patience as we work to improve the City's infrastructure.

****Please note that all scheduled work may change due to unforeseen circumstances such as weather delays. A link to our website that includes our latest press releases is attached for your convenience.**
