We're improving your water system – CBD

Sewerage and Water Board is improving your water system. Wallace Drennan Construction Company, working for S&WB will **inspect and perform maintenance/repairs to several waterlines in the Central Business District.**

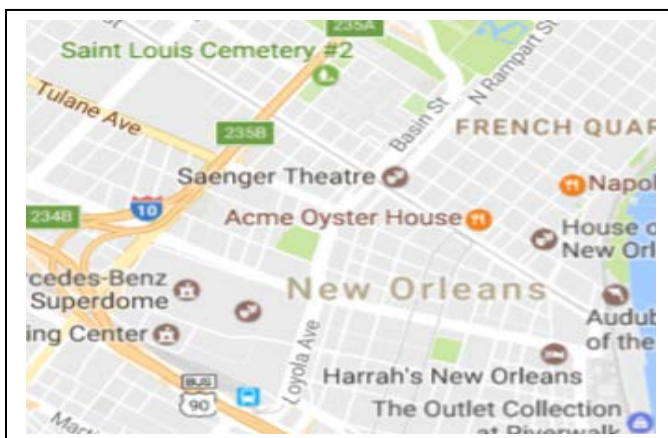

Residents and businesses in the Central Business District may experience low water pressure on **Monday, December 19, 2016 through Thursday, December 22, 2016 at 3 p.m.** Customers experiencing low water pressure are asked to call 52-WATER or (504) 529-2937 to report.

The area affected is:

The Central Business District

We appreciate your patience as we work to improve the City's infrastructure.

****Please note that all scheduled work may change due to unforeseen circumstances such as weather delays. A line to our website that includes our latest press releases is attached for your convenience.**
