## **WE'RE IMPROVING YOUR WATER SYSTEM – FRENCH QUARTER/CBD**

Residents and businesses in the French Quarter/CBD Area may experience low water pressure on Wednesday, March 2, 2016 from 7 a.m. to 11 a.m. while Sewerage and Water Board crews perform preliminary repair work on a 50-inch water main.

Customers experiencing low water pressure are advised to call the Sewerage and Water Board at 52WATER (529-2837) to report a low pressure problem.

We appreciate your patience as we work to improve the City's water system.
