We're improving your water system – Jefferson Avenue Area

The Sewerage and Water Board and Corps of Engineers are performing waterline work in your area. B&K Construction Company, working for the Sewerage and Water Board and Corps of Engineers, **will be installing a new waterline.** This work is part of the \$46.2 million, Phase II SELA Jefferson Avenue Urban Flood Improvement Project.

Residents and businesses on a portion of Jefferson Avenue will experience low water pressure on Monday, October 3, 2016 from 8 a.m. to 4 p.m.

The streets affected are:

ON	FROM	TO
Jefferson Avenue	Loyola Avenue	Dryades Street

We appreciate your patience as we work to improve the City's infrastructure.

****Please note that all scheduled work may change due to unforeseen circumstances such as weather delays. A link to our website that includes our latest press releases is attached for your convenience.**
