## **We're improving your water system – Jefferson Avenue -Eastside**

Cajun Construction Company, working for the Sewerage and Water Board and the Corps of Engineers will tie in a new water line in your area.

Residents and businesses on the east side of Jefferson Avenue between Pitt Street and Coliseum Street will experience low water pressure on Monday, April 18, 2016 from 8:30 a.m. to 4 p.m.

We appreciate your patience as we work to improve the City's infrastructure.
