We're improving your water system – Louisiana Avenue

Residents and businesses on Louisiana Avenue from Coliseum Street to Camp Street will experience low water pressure on Monday, March 7, 2016 from 8 a.m. to 4 p.m.

Boh Brothers Construction Company, working for the Sewerage and Water Board and the Corps of Engineers will tie in a water line in the area.

We appreciate your patience as we work to improve the City's infrastructure.
