We're Improving Your Water System- Coliseum Street

Boh Brothers Construction Company, working for the Corps of Engineers and the Sewerage and Water Board, will be performing a tie-in of a new 8" water line that will service the area.

Residents and businesses on Coliseum Street between Louisiana Avenue and Amelia Street will experience low water pressure on Wednesday, March 16, 2016 from 3 p.m. until 12 a.m., midnight.

This work is part of the \$82.6 million Louisiana Avenue Canal, SELA Urban Flood Improvement Program.

The affected streets will be:

ON	FROM	TO
Coliseum Street	Louisiana Avenue	Amelia Street

We appreciate your patience as we work to improve the City's infrastructure.
