We're improving your water system- Mid City Area

Sewerage and Water Board crews will repair a series of water lines in your area.

Residents and businesses in the Mid-City Area will experience low water pressure on Sunday, April 10, 2016 from 8 a.m. to 5 p.m.

The area affected is bounded by Washington Avenue, Jefferson Davis Parkway, Earhart Boulevard and Broadway Street.

We appreciate your patience as we work to improve the City's infrastructure.
