WE'RE IMPROVING YOUR WATER SYSTEM – ST. PHILIP STREET

Residents and businesses on St. Philip Street from N. Tonti Street to N. Broad Street will experience low water pressure on Thursday, March 3, 2016 from 10 a.m. to 5 p.m.

Cooper Contractors, working for the Sewerage and Water Board will install a new water line to serve the area.

We appreciate your patience as we work to improve the City's infrastructure.
