Emergency Repair We're improving your water system – Upper Ninth Ward

Wallace Drennan Construction Company, working for the Sewerage and Water Board, will be making water line repairs in your area.

Residents and businesses are advised that a section of the Upper Ninth Ward may experience low water pressure today as contractors continue to make repairs related to the emergency water main break that affects water pressure in the Lower Ninth Ward. The hours of low water pressure are 9 a.m. to 4:00 p.m.

The areas affected are listed below:

ON	FROM	TO
N. Miro Street	Bartholomew Street	Alvar Street
Bartholomew Street	Florida Avenue	N. Galvez Street

We appreciate your patience as we work to improve the City's infrastructure.

** Please note that all scheduled work may change due to unforeseen circumstances such as weather delays. A link to our website that includes our latest press releases is attached for your convenience.
