UPDATE, UPDATE, UPDATE - We’re improving your water system – Cadiz Street

Residents and businesses on Cadiz Street from Loyola Avenue to S. Robertson Street will experience low water pressure overnight from 8 p.m. on Tuesday, February 23, 2016 to 6 a.m. on Wednesday, February 24, 2016. This work was changed from Tuesday 10 a.m. to 5:30 p.m.

White Star Construction Company, working for the Sewerage and Water Board, will tie-in a water line in the area.

We appreciate your patience as we work to improve the City’s infrastructure.
