Low Water Pressure – Mid City Area

Residents and businesses in a section of the Mid City area will experience low water pressure on Saturday, December 5, 2015 from 10 a.m. to 1 p.m.

Sewerage and Water Board crews will be making repairs to a series of valves on water lines in the area

The streets affected are listed below:

| ON                   | FROM                 | TO                   |
|----------------------|----------------------|----------------------|
| City Park Avenue     | Allard Boulevard     | N. Carrollton Avenue |
| N. Carrollton Avenue | Orleans Avenue       | City Park Avenue     |
| Dumaine Street       | N. Carrollton Avenue | Taft Place           |

We appreciate your patience while we work to improve the City's infrastructure.
