Low Water Pressure – Douglas Street between Alabo Street and Delery Street

Residents and businesses on the 6000 block of Douglas Street between Alabo Street and Delery Street will experience low water pressure on Friday, July, 17, 2015 from 9 a.m. to 2 p.m.

Fleming Construction Co., LLC will be installing a new fire hydrant and performing a tie-in from the hydrant into the newly installed 8" waterline.

This is a part of the \$188 million Sewerage and Water Board/ FEMA Funded Waterline Replacement Program.
