Emergency Repair

We’re Improving Your Water System- Uptown, French Quarter, CBD and Warehouse District

Sewerage and Water Board engineers and crews are on the scene working to repair a 30” water main break.

Residents and businesses in parts of the city may experience low water pressure at this time.

The affected areas are listed below:

Uptown

French Quarter

CBD

Warehouse District

We appreciate your patience as we work to improve the City’s infrastructure.

** Please note that all scheduled work may change due to unforeseen circumstances such as weather delays. A link to our website that includes our latest press releases is attached for your convenience.
