We’re Improving Your Water System/ Traffic Advisory – North Carrollton Avenue and Canal Street

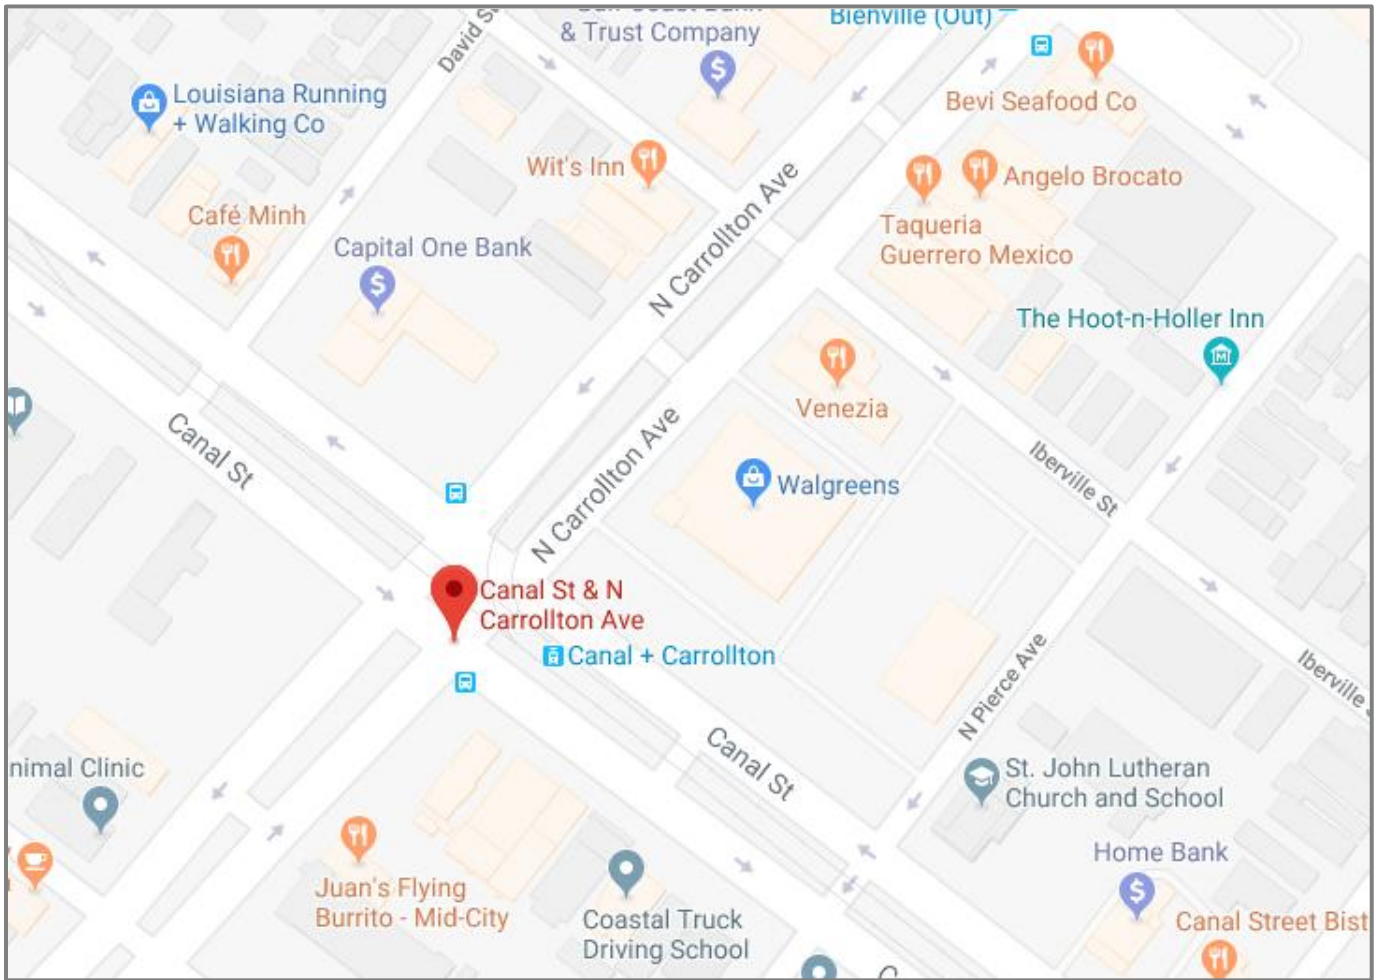

New Orleans – Due to work on a water line Friday, Sept. 7, the two rightmost lanes of Carrollton Avenue, heading toward Lake Pontchartrain, will be closed to traffic at the intersection with Canal Street from 12 p.m. to 3 p.m. Motorists are advised to drive with care in that area.

Lakebound traffic on South Carrollton Avenue will be diverted to the far left lane to cross Canal Street. Canal Street traffic wishing to turn right onto Carrollton can do so in the lane closest to the neutral ground.

We appreciate your patience as we work to improve the City’s infrastructure.

**Please note that all scheduled work may change due to unforeseen circumstances such as weather delays. A link to our website that includes our latest press releases is attached for your convenience.
