We're Improving Your Water System- Wakefield Place

Cooper Construction Company, working for the Sewerage and Water Board, will be installing a 6" gate valve that will serve the area.

Residents and businesses on Wakefield Place between Paris Avenue and Duplessis Street will experience low water pressure on Wednesday, May 18, 2016 from 9 a.m. until 5 p.m.

The affected street will be:

ON	FROM	TO
Wakefield Place	Paris Avenue	Duplessis Street

We appreciate your patience as we work to improve the City's infrastructure.

** Please note that all scheduled work may change due to unforeseen circumstances such as weather delays. A link to our website that includes our latest press releases is attached for your convenience.
