Residents and businesses in a portion of the Warehouse District will experience low water pressure on Thursday, February 18, 2016 from 11 p.m. until 4 a.m. on Friday, February 19, 2016. Boh Brothers Construction Company, working for the Sewerage and Water Board, will be repairing valves that service the area.

The affected streets will be:

Traffic Advisory:

Residents, businesses and motorists that Constance Street from Julia Street to St. Joseph Street will be closed to vehicular traffic during this time. Also, the right lane of Tchoupitoulas Street between Julia Street and Notre Dame will be closed to traffic.
