**Low Water Pressure St. Claude Avenue (St. Maurice St.-Delery St.)**

Residents and businesses on St. Claude Avenue between St. Maurice Street to Delery Street and on St. Maurice Street between Burgundy Street and Urquhart Street will experience low water pressure on Monday, March 9, 2015 from 8:00 a.m. to 5:30 p.m. while Fleming Construction Contractors, working for the Sewerage and Water Board ties-in a new waterline that will serve the area.

This is part of the \$183 million Sewerage & Water Board/FEMA Funded Waterline Replacement project.
