We're Improving Your Water System- Traffic Advisory on Picayune Place

Residents, businesses and motorists are advised that there will be no parking on Picayune Place beginning Monday, February 15, 2016. Boh Brothers Construction Company will be doing work in preparation for an installation of a new 8" water line. There will also be no parking on Gravier Street and Natchez Street across from the intersections to allow for truck access.

We appreciate your patience as we work to improve the City's infrastructure.
