## **We're improving your water system – Choctaw Street**

Residents and businesses on Choctaw Street from N. Prieur Street to N. Galvez Street will experience low water pressure on Friday, February 26, 2016 from 8 a.m. to 6 p.m.

Command Construction Company, working for the Sewerage and Water Board will tie in a new water line in the area.

We appreciate your patience as we work to improve the City's infrastructure.
